DISTRICT GOVERNOR'S OFFICIAL VISIT

The District Governor is required to make an official visit to each club during the year. With 47 clubs to visit, not counting special events, meetings and Conventions, the Governors schedule is quite busy. The following suggestions will help your club make the Governors visit a pleasurable and productive one.

1. Plan early for Governors visit. Contact the Governor to confirm as early in the year as possible.
2. Choose a date that is likely to have high attendance. Club Charter Night celebrations are very appropriate (especially 25/50/75th years).
3. Your request for a visit should include all pertinent information such as date, time, location, and if a meal will be served.
4. No other speakers or programs, other than abbreviated business meetings, should be scheduled for this evening.
5. Make sure greeters are available to make the Governor welcome. If the club has particular concerns or issues it would like the Governor to address they should be addressed in the invitation or by the greeter.
6. **Prepare a suitable introduction** for the governor. If your Club has a past International Officer or Past District Governor, he or she might introduce the Governor.
7. All members should rise when the Governor is officially introduced and when he has concluded his comments.
8. Many clubs present the visiting Governor with a small gift as a token of respect and appreciation for the time and effort in fulfillment of his duties. A donation to one of the State projects in the Governors name is a particularly meaningful gift.
9. Let the Governor know in advance if you want him to induct new members, club officers or present special awards.
10. It is always appropriate to publicize the Governors visit in your local newspaper.
