## **LIONS CONNECTIONS OCTOBER 2021**

### **DISTRICT GOVERNOR BILL BRADFIELD'S MESSAGE**

#### **“Recruitment + Retention = Healthy Lions Clubs”**

Lions activities are starting to gain new momentum. Since July we have added new members to the following Clubs: Cadillac-4, Mt. Pleasant-9, Harrison-2, Arcadia-40 reactivated plus 5 new, and Lake Ann-17 reactivated. At present we have the highest number of new members reported in all districts statewide!

Due to a false rumor circulating, I want to make it very clear what projects that I support as your Governor. They are Leader Dogs, Paws With A Cause, KidSight, State Band, Michigan Foundation, Bear Lake Camp, Childhood Cancer, Hearing and Speech, Lions Clubs International Foundation, Lions Clubs International Campaign 100, Lions Quest, Michigan Eversight, Sight Conservation and Diabetes, Defense Against Diabetes (DAD), White Cane, and Youth Exchange. If anyone has any questions regarding my support and promotion of the above mentioned projects, or any others, please contact me at 231-222-5431 or [hoxeyvillain@hotmail.com](mailto:hoxeyvillain@hotmail.com).

Now is the time of the year that we make donations to projects that both create good results and that are needed in the communities that we serve. The ones listed above are good choices as are other charitable projects your clubs have been involved in for years. In addition, is our own Lions Clubs International Foundation (LCIF). Since 2019 LCIF has funded Michigan Projects in the amount of \$616,624.00! This funding included Diabetes Programs, Leader Dogs, Playground for Disabled Children, COVID relief (5 grants), equipment and renovation, flood relief (4 grants), Clothes for Veterans, Feeding the hungry, Food Bank freezer expansion, and Autism Programs. Our District donated only \$7,230.00 in the last year. In the last 3 years LCIF Contributions to Michigan projects was 85 times that amount (\$616,624.00). We can and should do better because every penny of their grants improved the living and health conditions of every community in Michigan. So if we raise a minimum of \$10,000.00 in the next year, we will automatically receive a rebate of \$1,500.00 back to our district.

We are also developing a fundraising guide that will contain information from all clubs in our District. The purpose of the guide will be a reference book for each individual club to use in the development of new and successful fundraisers. This can help improve the fundraising and community interest in each clubs area. It can also possibly increase membership if you notify your communities what the events are. We will be sending out an information request that will require information about the fundraiser. The information we will need is the name (description) of the fundraiser, annual dates of the fundraiser (to keep from duplicating the same type fundraiser on the same date), how many Lions it takes to organize and manage the event, how much is raised, time spent, and contact information

on the Lion in charge of the event. This will also assist us in receiving an annual Award for the most productive District and District Governor.

DAD dollars remaining in our statewide Diabetes Grant are a little over \$30,000. We should have things pretty well complete by the end of the year. The most recent and exciting agreement that we just signed is with District 11E2 and the Mid-Michigan Medical Center in Flint. It is the first of a kind Diabetes Training Program for school systems in Oscoda and Alpena. The total cost of this innovative agreement is \$18,101.64. This is the highest dollar amount in the DAD program so far. LCIF is very interested in doing another video documentary of this project. We congratulate District 11E2 on a job well done.

LCI is asking us all to become Model Clubs for the Campaign 100 project. They have extended the date to June 2022 for each member to raise \$500.00 and June of 2023 for pledges. Just one or two small fundraisers can get you there or just save your refundable pop cans or beer cans. At 7 cans per day starting October 1, you can accomplish this worthy goal. Ask your car dealer or Insurance agent for a donation. How much money have you donated to their coffers in the last ten years?

The recent Car Show organized with volunteers from the Cadillac Lions Club was a success including a nice sunny day. Our Treasurer of District 11E1, Terry Ventocilla, sat under a tent for 5 hours administering Diabetes A1C tests to the spectators. Terry is a first responder and has performed countless tests for Diabetes. Thank you Terry for what you do.

We have been through a very difficult year with COVID at every turn. You will all be known as the Lions of the Pandemic Generation, You are the Fighters, You never gave up, we lost some of our Best Warriors and kept going, You embraced Change and found ways to work around it, You were the Knights of the Needy, and You all continued to serve during a most critical time. **“Let’s Go Lions”!**

### 1<sup>ST</sup> VDG Jackie Glazier’s Message

Attention District 11E1: A Big Thank You to fellow Lion Randy Roebuck from the Chippewa Lake/Mecosta Lions Club! Lion Randy updated the District 11E1 Officers on our website. Another Lion serving *“from the heart”*.

I am looking for clubs that ordered the Peace Poster Kits. If your club is doing Peace Posters, will you please contact me via e-mail, text, or phone? If you have any questions, comments, or concerns, contact me. Have fun! Watch the dates.

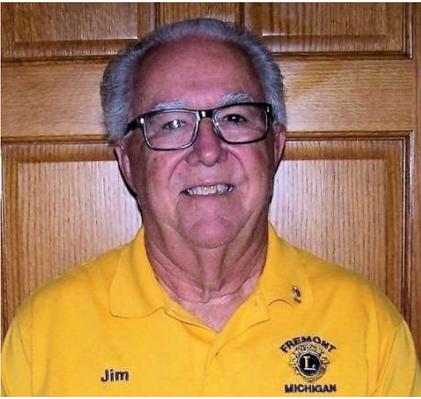

Zone Chairs: Our District is in need of Zone Chairs. If you have been club President you can be a Zone Chair. Check the LCI website to see about the fun you can have with other clubs and Lions. You may only be a Zone Chair for two years. PDG’s cannot be Zone Chairs. Intrigued, ask someone who has been a Zone Chair. I will say I loved my time as a Zone Chair. All clubs are looking for more members and new service ideas, Zone meetings are where clubs share with other clubs what helps and works for them. Step up and be the cheerleader your Zone needs. What’s that saying, “walk the walk, talk the talk”. Share with fellow Lions. Serve from the heart.

Summer has left, Autumn is here, and soon Lions will be heading south. As Lions head out remember most Lions are now very savvy on zoom so keep the meetings going and have fun with Fall service projects.

Happy Halloween

## 2<sup>nd</sup> VDG Jim Patterson's Message

When I listen to others explain why they became Lions I find their stories enlightening and inspirational. So many were affected, either themselves or through loved ones, by eyesight issues. It was their desire to help that motivated them to become Lions. I don't have things like that in my past. I became a Lion simply because someone I knew and respected asked me to a meeting. At the time I didn't even really know what Lions Clubs stood for.

I am myopic. I've worn glasses nearly all of my life. I sometimes joke that I couldn't find my rear end with either hand without them. So, at that first meeting I listened with a sympathetic ear and I eventually joined. But even then, I didn't really understand the impact I could have on the lives of others. I volunteered for projects simply because I had the skills and time to take part. Plus, my father had drilled into me that *if you make a promise, you*

*better damn well keep it* so there was that motivation. As time passed there was no signal event, no "aha" moment, I just slowly came to realize the good that Lions do. Over time my motivation changed from "because I can" to "because I must." For I am one of the fortunate ones - I have sight; I can hear; I don't have diabetes.

Lions Clubs must survive for the next hundred years - that is clear. And so we must replace old members with new. As we "Q-Tips" (visualize that for a minute) age and grow infirm, our vital clubs must have new members or they will pass into nothing. The only way they can flourish is when others are asked to join. And as I see it, therein lies a problem.

For many of us, the "ASK" part is the hard part. It's why some can't sell raffle tickets or stand outside a door during Candy Days. They would rather stick a needle in their eye. (OK, that's a gross exaggeration but you get my meaning.) Asking is really hard for some of us - including me. I really don't know whether it is the fear of rejection or just the nature of asking someone for something - maybe both - but it's difficult.

I won't live forever so I ask myself: If I really value Lionism, don't I have an obligation to help it survive and flourish after I'm gone? Isn't it my duty to ask? I say Lionism is vital but what am I doing to grow it? That is the mantra I use to screw up my courage to ask someone to a meeting. And what's the worst that happens? They say "No." That's it, no more, no less.

I'll let you in on a dismal secret: No one I've ever asked has ended up joining. Nada, Zilch, Zippo. I am batting zero on new members. And I confess that it is hard to keep asking in the face of such dismal results. But the members of my home club keep getting older and more infirm. One-by-one they are becoming less active. It gets harder and harder to find members to fill the volunteer lists. If something doesn't change, our club which once counted 40 members, will fade away.

Truly, there is no one reason why a person joins a Lions Club. Some have a connection to someone in need. Some have a more personal reason. Others join to give back to the community. And some, like myself, join simply because they are asked to join.

It is true that you face possible rejection when you ask someone to a meeting. And for some of us that is a big obstacle. But what if they don't say no? By asking, you could help that potential member find just what they've been looking for. I beg you to screw up your courage and ask someone to a meeting. It's hard. I know. But the future of Lionism is in your hands.

Lions this is the time to remember, we have quite a few clubs celebrating their charter night. Join them. Have fun with the Lions. Our District did so much work and carried on under very trying circumstances. We are not totally done, but we are a lot better. Enjoy our joint accomplishments with each other. Having a good time is as important as working hard. Enjoy each other. I plan on going to as many as I can. I plan on visiting my fellow PDG's appreciation dinners this month. Work, fellowship, and laughter can overcome any obstacle. Go Lions! IPDG Bill Koch

***DISTRICT 11E1 OCTOBER LION OF THE MONTH  
RICKARD JONES - ARCADIA LIONS CLUB***

Rickard joined the Arcadia Lions Club in 1985. He has been King Lion three times and participates in all the club's activities. When he was president, he initiated two activities that turned out to be good fundraisers. Arcadia is near Lake Michigan and there was a lookout for people to view the Lake. Rickard suggested that the club put two telescopic viewers on the lookouts to give people a better view of the Lake. It was a quarter a view and the first year the club took in 2,000 quarters.

His second suggestion was to turn their club pancake breakfast into a drive through because of the pandemic. They got good results from the drive through and decided to do a free breakfast to help during the pandemic. The community came to the free breakfast and left \$800 in donations. The pancake breakfast continues to be a good fundraiser for the club averaging a \$1,000 a breakfast. Arcadia Lions sponsor Arcadia Days and do a pulled pork

dinner, a BBQ Chicken dinner, and a beer tent. They contribute to the community in many ways. The Lions give out three \$1,500 scholarships to graduates each year.

Rickard grew up in Pontiac, MI and worked in the Pontiac Motor Division. He was a general foreman in the die shop. Rick and his wife Pat moved to Arcadia after he retired in 1982. They have two children and five grandchildren. One of their big adventures was riding a motorcycle to Nova Scotia, 4,100 miles.

**CONGRATULATIONS TO RICKARD JONES OUR OCTOBER DISTRICT 11 E1 LION OF THE MONTH!**

***IMPROVE YOUR LEADERSHIP SKILLS***

Here is an opportunity that all Lion leaders and potential leaders should not pass up—**The Michigan Lions Leadership Institute**. The Institute is an opportunity to sharpen your skills and give you the tools you need to be a confident officer for your club or District. The Institute's focus is on building leadership skills that can be applied to all aspects of your life not just Lion's activities. It is an opportunity to share ideas, learn how to develop teamwork, and how to be open to change. It is an essential component for any Leader's agenda. The Institute is partially funded by LCI'S Leadership Division plus clubs and Districts in Michigan.

The Institute is scheduled for November 5-7 (Friday morning through Sunday noon). The location is the R.A. MacMullan Center in Roscommon, MI. The registration fee is \$225 per person and includes registration, course materials, two night's lodging and six meals. The price can't be beat for what you take home after the sessions. Your club president was mailed the information on the Institute. If he/she hasn't received it, call the Lions of MI office (517-887-66400) for a brochure or contact Lion Pete Conarty, District 11 E1 Leadership Coordinator at [mlpjc@sbcglobal.net](mailto:mlpjc@sbcglobal.net).

***DEADLINE IS NEAR!***

The Michigan Lions Foundation cookbook, an idea that developed from the COVID pandemic, is close to its November 1<sup>st</sup> production date. The cookbook will replace the Foundation's raffle calendar. During the pandemic people were pulling out mom's or grandma's old recipes and enjoying the tastes of childhood. In discussing these wonderful meals, the Fund Development Committee decided that they should be shared. Hence a cookbook fundraiser was developed for the foundation. October 6 is the deadline to share your favorite recipe with the Lions of Michigan. Send them to the foundation at 5730 Executive Dr., Lansing, MI 48911 or e-mail them to Ex. Dir. Chad McCann, [cmccann@lmsf.net](mailto:cmccann@lmsf.net). Cookbooks will sell for \$20.00 each and will make great stocking stuffers for Christmas and for your cooking shelf. If your club would like to help sponsor the cookbook or pre-purchase books, see pages 11 & 12 attached at the end of the newsletter. Money earned from the cookbooks will go for hearing aids, screening, and the treatment of hearing loss.

In December Greenville Lions will hold the Carl Barberi Toy Project. Parents will shop for Christmas gifts for their children. School social workers identify families which need

help. The club is able to do this thanks to generous support from the community.

## COLEMAN LIONS

After a canceled Founder's Day last year, Coleman Lions were glad to hold a KidSight screening in Sanford once again. We screened 58 children, with 4 referrals, on September 11. Families enjoyed the nice weather and fun activities. Our trailer was set up by the barrel train and the pony rides, a perfect spot!

Coleman is celebrating 81 years of service this fall. Our "annual" Charter Night Dinner and Auction is back after being canceled last year!!! Join us on Friday, October 22 at 5:30 for a fun evening of games, drawings, and auctions as we raise money to continue providing help to our neighbors in need. Our catered buffet dinner will be baked chicken and meatballs in gravy. There will be a few servings of ham for gluten free. Tickets are \$15. Ticket sales end October 13. To make a reservation, call or email Lion Ann at 989-465-6482 or [ann.roeseler@gmail.com](mailto:ann.roeseler@gmail.com). Prizes this year include a wood fishing scene carved by PDG Dan Gibbons, a king sized Amish quilt, a deer hunting rifle, and a Hepa air purifier, and a Soaring Eagle overnight with a \$50 dining card. [See flyer on page 13.]

## FREMONT LIONS

**HUNDRED DOLLAR BILL—HOW'S THAT FOR SUPPORTING THE LIONS!!!** During the Fremont (and Hesperia) Lions Club Candy Day an anonymous donor dropped a **hundred dollar bill** into the collection container. Lion Jim was stationed there and after recovering from the shock he rushed over to the gentleman and asked "Sir, do you know what bill you put in the container?" He replied, "Yes and I mean it to support your Lions Club." It's always hard to judge what our community thinks of all the services we do for them. We get some sense of their appreciation by the many dollar bills and coins collected during Candy Days and White Cane. But this extraordinary donation really hits home that we are doing something right in Lionism.

### HUNDRED DOLLAR BILL # 2!

After finding a hundred dollar bill in the collection container on day one of Fremont Lions Candy Days we started day two. The first shift had Lion Brad at one table and the other table was unmanned but with a container. At the end of the shift we combined the contributions from both tables and had a real 'WOW' moment. A **second hundred bill** had been dropped in the unmanned container. Here is a picture of Lion Brad showing off his hundred dollar bill.

# ARCADIA LIONS

Arcadia Lions' main annual fundraiser for charitable contributions is their three-day Arcadia Daze event which happens on the third weekend in July. This last July marked their 40<sup>th</sup> Arcadia Daze which has gotten bigger and better every year. Arcadia Daze would not be possible without the tremendous support and help of the whole town, especially all of our tireless volunteers.

Arcadia Daze takes over the town of Arcadia for one weekend and transforms the typically very quiet community to a bustling town filled with activities for people of all ages. The opening ceremony presented by, and celebrating local veterans, begins the festivities including: live music, food trucks, craft and domestic beers, fireworks, Arts & Crafts show, car show, pickleball & corn hole tournaments, kids games, 5K race, pancake breakfasts. The event culminated with a parade featuring among others, the town's Grand Marshal, the Fife and Drum Corp, and the Scottville Clown Band. Arcadia Daze has become an annual reunion for all those with connections to Arcadia to come home and see old friends and family.

Because of COVID, the decision to have Arcadia Daze was made very late this year, but everything came together for a record making participation and

profitable year. In addition, we increased our raffle ticket price from \$5 to \$25 per ticket and all 500 tickets were sold by Saturday earning the club a net profit of \$7,500.

Before the Arcadia Daze Opening Ceremony, there was a memorial for a native Arcadian, John Miller, at our Pleasant Valley Community Center with a tour of the facility. The Opening Ceremony was at Finch Park with President Roger Brown and Vice President Al Schroeder introducing local Veterans.

Pancake Breakfasts Saturday & Sunday Morning at the Lions Clubhouse.

Arcadia T-Shirts are always a must-have purchase every year, along with raffle tickets with entertainment in the park. The town's Woman's Club were there as *Sanitation Sweeties* to ensure public safety.

The parade on Sunday with a Scottville Clown Band in the park marks the end of another great Arcadia Daze!

Thank you to our morning cleanup crew!

### VESTABURG LIONS

## MIDLAND LIONS

### ***MIDLAND LIONS FUNDRAISER—WHITE CANE***

We had 12 Lions volunteer for 18 hours of miserable weather on Thursday and 11 on a much nicer Friday for 14 hours. We brought in a total of \$1,335.83 which is a little over \$300 more than what we collected in May.

Great job Lions! We Serve!

### ***MIDLAND LIONS SUPPORT DAHLIA HILL PROJECT***

The Midland Lions Club Board approved \$300.00 for various magnifiers, binocular spectacles, and special sunglasses. These devices will assist visitors of Dahlia Hill who have visual impairments and/or limited mobility for increased access to enjoy the blooms. The Dahlia Hill Society calls this “View Dahlias Clearly” program. They are working towards a goal of increasing access for all to the hill.

## Cookbook Fundraiser

Lions Clubs are well known throughout the world for the services we provide to help people with hearing and vision loss. Nearly a century ago, Helen Keller challenged Lions Clubs to be "Knights of the Blind," and she declared that "the problems of deafness are deeper and more complex, if not more important, than those of blindness. Deafness is a much worse misfortune, for it means the loss of the most vital stimulus — the sound of the voice that brings language, sets thoughts astir and keeps us in the intellectual company of man."

Our new Lions Hearing Centers Cookbook was developed to create awareness for the treatment of hearing loss and to provide funding for our Michigan Lions Affordable Hearing Aid and Hearing Screening Programs, which offer affordable hearing care options for Michigan residents.

With your help, we can continue to change the lives of thousands of Michigan residents who need and depend on the Lions Clubs of Michigan and our partners, sponsors and friends for the treatment of their hearing loss. As a Public Charity, all contributions to the Lions of Michigan Foundation are tax deductible to the full extent allowed by law. We appreciate your support!
