District 11E1 Newsletter

District Dispatches

Reports from District Officers

OMG! No Way!

Immediate Past District Governor Jim Patterson

If that title has always been your first response whenever asked to be a Lions leader, you're exactly the person we need.

For the past two newsletters I've talked about the need for district leadership. I've made the case that district leadership is the best way to spread your vision of Lionism. I've also made the case that leadership takes qualities we all possess. And finally, I've made the case that taking on a leadership role makes you a better person and a better Lion.

Now please go back and reread that very first sentence.

It's true! You're the one we need! Your reluctance will make you the ideal leader. You know what you don't know and are willing to learn. You are fearful of making a mistake, so you work to minimize mistakes. You hate it when people BS you, so you never do that to others. You keep your promises and people who don't drive you crazy. Most importantly, you're not a person who tries to do everything and never asks for help.

How do I know this? Because I was a VERY reluctant leader. I said “NO” loudly for a long time. And then one day, I weakly said “yes.” My mantra became “Don’t let me suck at this.” And with the help of some great Lions, I did OK at being a governor. I’m not saying I got everything right, but I am pretty sure I didn’t suck.

The task of being a good governor takes time – time to discover the width and breadth of our district; time to learn the tools available to help governors do their job; time to find good people to help in the task – and more.

That is why it is so important for Lions to serve as vice district governor for one to two years. It helps them grow into the job. In addition, the training LCI and the Lions of Michigan offers all vice governors is invaluable. Being comfortable in the job comes from familiarity with the ins-and-outs of our district. That familiarity doesn’t come overnight.

Further, district governors don’t act alone. They have great mentors. There are enormously talented and committed Lions in our district. No matter what comes up, some Past District Governor has seen it before. A wealth of experience is no more than a phone call or email away.

Will you serve as First or Second Vice District Governor?

Don’t immediately say “OMG No Way!” Think about it. Mull it over in your mind. Why did you join the Lions in the first place? Wasn’t it to help people in your community? Now imagine your community as more than just inside the town limits. Think of the good you could do helping people all over northwestern Michigan.

By the time you read this, the written nomination deadline will have passed. Your avenue to a vice district governorship is to be nominated from the floor during the cabinet meeting at the district convention. You will need to find two club members: one to nominate you and one to second the nomination. That’s all there is to it. The election will take place that day and you will be starting a great adventure that will change your life in so many positive ways. Congratulations!

District 11-E1 Convention

Let's Go Fishing

Exciting news—our **Spring Convention** is right around the corner **April 25-26 at the Doherty Hotel in Clare!**

If you haven't registered yet, now is the time! **Registration fees will increase after April 1 to \$25 (from \$15),** so don't miss out on the chance to secure your spot at the best rate. Room reservations must be made by **March 25** to secure the Lions rate. No meal reservation will be accepted after **April 14.**

The event will be a wonderful opportunity for Lions from across our district to come together, celebrate our achievements, and plan for an even brighter future of service. We have **Dr. Jan Pol** (known for his work on the National Geographic Wild Network show The Incredible Dr. Pol) as a guest speaker for Friday night dinner. We have **four seminars planned** for Saturday to include new club officer training, membership growth, and Golden Key Camp for Kids. Golden Key Camp is a Michigan nonprofit with a goal and mission and purpose of giving kids with cancer some time in nature with their families. We also have **two service projects planned.** The first service project (Friday evening) will be making toys for pets which we plan to distribute to various pet shelters and humane society throughout our District. The second service project (Saturday morning) will be making comfort bags for Golden Key Camp for children with cancer. Our **Lion guest** for the weekend will be **PID Bruce Beck** from Minnesota and his lovely wife Lion Erin.

Club Banners Requested

As we prepare for our **Spring Convention**, we want to make sure every club is proudly represented! We kindly ask that you bring your **Club Banner** to display during the Convention. There will be a Banner Parade at noon on Saturday, April 26. Club banners add to the spirit of Lions, showcase our unity, and highlight the amazing

service each club provides. If you or another member can bring the banner along with a banner pole and/or stand that would be great. The district has 12 extra stands that will be set up for those who don't have their own.

Thank you for helping make our convention a great success—we look forward to seeing you and your club's banner there!

Tidbits Ad

Our **Spring Convention** is the perfect time to celebrate and recognize the amazing Lions in our district! You can do just that by purchasing a **Tidbit Ad** in our convention program.

Use a Tidbit Ad to:

-  Recognize a fellow Lion for their dedication and service
-  Share a heartfelt thank-you message
-  Announce an upcoming club event
-  Celebrate a milestone, anniversary, or achievement

Tidbit Ads are an easy and meaningful way to support our convention while highlighting the people and moments that matter most.

To purchase your ad, simply print out the Tidbit registration form that's included in this newsletter or contact PCC Jeff Schafer. If you have any questions, feel free to reach out to PCC Jeff.

Silent Auction

As we gear up for our District's **Spring Convention**, we are excited to host a **Silent Auction** to help defray the cost of the event. To make this a success, we need your help!

We kindly ask each club to contribute a silent auction item—big or small, every donation makes a difference! Popular items include:

-  Gift baskets
-  Handmade crafts or artwork
-  Gourmet food basket items like jams, jellies, specialty meats & cheeses, etc.
-  Event tickets or gift certificates
-  Regifting (like new) Item like puzzles, books, games, home décor, etc.

If you can bring an item, please let us know by contacting PDG Sheryl, so we can plan accordingly. You can bring your item Friday evening or Saturday morning. If you're unable to attend the event but still would like to donate an item, contact PDG Sheryl and we'll get someone to pick the item up from you. If you have any questions or need ideas, feel free to reach out!

Thank you for your generosity and support. Your contribution will help make this event even more special!

Convention Service Projects

Are you registered for the District Convention in Clare on April 25 & 26? The \$15 registration fee goes up to \$25 on April 2, so don't wait too long!

I have planned **two service projects** for the convention this year. **Friday night** we will make **Toys for Pets** to be given to animal shelters in our district. Projects for dogs need **socks** and **old t-shirts**, with **tennis balls** and **empty plastic water bottles** for filling. Cat toys also use **thin socks** for making octopi and feathers and **corks** for another project! The more colorful the socks and t-shirts are, the more fun!

Our project **Saturday morning** will involve assembling care bags for **Children with Cancer**. These will be given to Lisa Kujawa who will present a session Saturday morning on Golden Key Camp in Gladwin. Clubs and individuals are generously donating items for these bags! We already have commitments for backpacks, lotion, lip balm, soft socks, coloring & activity books, suckers and beanie babies. Some items we still hope to get are **crayons**, **colored pencils** or **markers**, **soft hats**, **friendship bracelets**, **stickers**, **play doh**, **stress toys** other quiet games. My goal is to have 30 bags ready for kids. Can you help? Please let me know. Ann.roeseler@gmail.com

Entering Club Service

Please remember to enter your club's service on the LCI Portal. It's quick and easy to do and best done soon after the activity when it's fresh in your mind. Call or email me for help: 989-615-3959 or ann.roeseler@gmail.com

Most clubs have entered at least one activity. The more we enter, the more data Lions International has for soliciting donations from large corporations. I can help! In fact, I have already entered service for several clubs that have poor internet access.

Let's reach 100% of our district clubs entering service this year.

Bear Lake Camp March 2025 Update (Lapeer Michigan) **Steve Glazier District 11E1 Bear Lake Camp Chairperson**

Bear Lake Lions Camp was recently delivered a much-needed new John Deere tractor. This was made possible with the support of multiple Lions Clubs, businesses and individuals and we are incredible grateful for everyone's commitment to the camp. Especially Lions.

We are forever grateful to the Mount Clemens Lions Club for the donation of a zero-turn lawn mower, improving the ability to maintain the grounds efficiently and keeping them safe for campers and visitors.

In January the Bear Lake Team focused on thorough cleaning and essential maintenance to prepare for a busy anticipated record attendance year ahead. Special attention was given to the kitchen, which was deep cleaned, sanitized and reorganized to meet the highest standards for safety and efficiency.

The camp truck and snowplow have been heavily used this winter to manage the exceptional snowy conditions and keep the grounds clear and accessible as the camp is open year-round. The Team also worked on equipment, inspections and repairs to ensure everything is in excellent condition for the upcoming season.

In addition to the Bear Lake Deaf and Hard of hearing youth camp July 13 - 19th the Deaf and Hard of Hearing "FAMILY" Camp will again be offered in August for a weekend of fun for impacted families.

On May 10, 2025, LIONS THROUGH OUT MICHIGAN and Lapeer local community members are welcomed for the ANNUAL Bear Lake Camp "WORK BEE." This event is a chance to prepare the camp for summer while exploring the facilities and connecting with others. For those who haven't visited or visited recently it's an opportunity to see all the updates and improvements that have been made. I know several of you already advised me of your plan on attending and assisting at this event. There's a job for everyone. It's both indoor and outdoor tasks that need to get done. around the camp. Painting, dusting, prepping the grounds and outdoor sports equipment, cleaning 10 cabins, clearing trails, sprucing up and organizing areas and spaces. This is a one-day event with lunch provided. Certainly, no worries about any special dietary needs as they've got that covered

after working with 1100 kids last summer. Volunteers are encouraged to bring gloves, outdoor and garden tools (rakes, power trimmers, etc.) and plenty of energy.

NOTE: Traci Tribley (Camp Director) has approved "FREE" Lodging for all Lions from our District 11E1 on Friday. Housing is in modern dorm style two floor cottages at Bear Lake Camp. Ten lakeside cottages. Each cottage accommodates 16 people (8 per floor). Please bring your own pillows, sheets and blankets (all are single sized mattresses). Contact the Bear Lake Camp in advance with your arrival time on Friday to ensure someone is on site to greet you and assign your cottage to you. Clean up starts at 9AM Saturday. Location: Isabella Commission on Aging
2200 S Lincoln St., Mount Pleasant, MI

The event will be from 9am – 2pm and will include morning refreshments and lunch at no cost to the attendees.

The Certified Guiding Lion Course will help you:

1. Understand your role as a Guiding Lion
