## **DISRICT GOVERNOR BILL KOCH'S MESSAGE**

Lions, we have 3 new members in our district. So, yes we can!!! We can get new members even at this time. I was able to see 7 more clubs this month. Each and every club is so wonderful. Jackie and I enjoy each of the clubs. The community service they perform is amazing. We need each and every club to put articles in the District Newsletter. Let us know some of your activities. What you take as routine, could be extraordinary for those that are not doing the service. Clubs are celebrating some mile stones, with anniversaries this year. The celebrations need to be small, but celebrate!! We are excited to be Lions. Please, let me know if I can come to your club. We had clubs celebrating 30, 35, 40, 50, and 65 years of service! Celebrate all the people you have helped and enjoy your fellow Lions. Lions are forging ahead with the Forum in February; our District Convention in April; and the Multi District Convention, with the International President, in May. November is here and hunting season means no meetings to a lot of our clubs. December is Christmas and we can have our parties, but use the proper precautions. Do your Christmas projects. Many clubs do food baskets or meals. People in our communities need these services more than ever, and we should strive to continue, with precaution, these valuable services!! Your meals, your baskets, and other things that you do during the holidays are more important than ever this year, more difficult, but even more necessary than ever for the people. When Jackie and I see our clubs, we are so proud of our Lions. We are meeting so many loving, caring, hard working people, which equal LIONS. One thing, that makes our time so enriching, is the Smiles, Laughter, Jolliness, and Friendliness. The more Lions you meet, the more you know that we will survive and prosper, because of our fantastically GREAT LIONS. Thank you for all that you do.

# Mark Your Calendars!

April 23 & 24, 2021 we will be having our District Convention. The theme for the week-end is "MOVING FORWARD TOGETHER", Governor Bill is excited to bring the district together again. We hope you save the date for fun and learning. The convention will be held at the Holiday Inn in Big Rapids. More info to come.

# **GREAT OPPORTUNITY!**

The Michigan Lions Institute was started many years ago with a grant from Lions Club International. It was such a success that the Institute is still operating and considered one of the premiere Institutes in the United States. Each year a limited number of Lions are able to participate in this program. This year, because of COVID-19, the institute will not be held. However, the Institute is offering a FREE virtual opportunity for all Lions in Michigan. The class/presentations are being offered on Saturday, November 7<sup>th</sup> from 9:00 a.m. to 12:30 p.m. All you need to do is register at <a href="www.lionsofmi.com">www.lionsofmi.com</a> and click on the link. Before the webinar you will receive an e-mail with a link. On Saturday, November 7, prior to 9:00 a.m. click on your link and your e-mail to join the webinar on your device. Since our newsletter comes out on November 1st, you need to register very soon.

The program called Lions Opportunities in a Virtual World 2020 features LCI's 2<sup>nd</sup> Vice President Brian Sheehan, PIP Joe Preston and five sessions, "Meetings, Service, Leadership, Fundraising and Membership". Since we were not able to have a District Leadership Training program this year, I would recommend all club officers participate in this program. The classes are amazing!

### Sand Lake Lions

Sand Lake Lions Club

Annual Variety Sale

Saturday Nov. 7

9 A.M. - 3 P.M.

Sand Lake United Methodist Education Building Crafters and Vendors:

To rent a table call 616-636-5425

We will be following COVID-19 guidelines. The church is on the corner of 6<sup>th</sup> and Maple Streets, one block north of Lake Street which is the street that goes to the US 131 expressway. We are still looking for both vendors, such as Avon, etc. and Crafters. We charge \$10 for an 8" table.

The Sand Lake Lions Club recently held a work bee at which they cleaned and sorted some of the 222 pairs of used eyeglasses donated at local collection sites in the past few months. These will be added to others collected in District 11E-1, which encompasses the NW part of Lower Michigan, to be taken on a mission trip to a poverty area in Central America. Because of COVID-19, an exact location and date is yet undetermined. PDG Lion Harry Johnson from Bitely brought all the necessary supplies for processing the

glasses. This included a Lens-O -Meter. This is a

device which reads the prescription of the lens. After the glasses have been cleaned, sorted, and read on the Lens-O-Meter, they are sealed in individual plastic bags with information labels. Then

all the information is entered into a computer program and the glasses go into a shipping carton. Thus, glasses no longer suitable for you, the donor, are given a new opportunity to enrich another's life.

While working on the donated glasses,

PDG Lion Harry told of some of the outstanding experiences him and his wife, Lion Laura, has had on the mission trips which they have volunteered for and coordinated. Very emotional!

White Cloud Lions had an outstanding 50<sup>th</sup> Anniversary Celebration on Oct. 24<sup>th</sup> at the White Cloud Lions Den. Outstanding Guests included guest speaker Governor Bill and Jackie Ann Koch, Lion Bob & Sharon Chapman from Hart Lions Club, several Lion supporters from Grace Lutheran Church in Baldwin plus many White Cloud Lions with Guests.

President **Ray Williams** prepared an outstanding Swiss Steak dinner and the exciting silent auction items donated by members, guests and **Lowe's**, served as our entertainment and helped us reach our goal to earn enough money to finish the roof on our Den. It was a smaller crowd than usual because of COVID, but all attendees had wonderful evening and were happy to have a 'night out'.

And special thanks to the **Shack** for donating two certificates for hot tub overnight stays at their **Bed & Breakfast** in **Jugville** for door prizes again.

Also at our Monday night meeting we approved our 2020 donations for: Lions of Michigan All State Band Administration; Leader Dogs for the Blind; Lions of Michigan Service Foundation; Lions of Michigan Foundation — Project KidSight; Michigan Eversight; Bear Lake Camp; Lions Clubs International Foundation (LCIF) and Paws With a Cause.

# **Big Rapids Lions**

The Lions Club of Big Rapids carried out its long standing tradition of providing dictionaries to third

grade students at the following schools - Riverview, Brookside, Crossroads Academy, St. Peter's School, St. Mary School and Big Jackson. Due to the constraints of the pandemic, face to face presentations were not possible this year. In past years, Club members have had great fun working with the students to look up a word and talk about it. The magic word has been "aardvark". The Club hopes that the 225 dictionaries that were provided to the students will be useful for both their academic and

personal use. Picture - Students from St. Peter's School display their new dictionaries.

### **Harrison Lions**

Harrison Lions Club had their 2<sup>nd</sup> Pop Can/Bottle Drive. Bingo started back up on Thursday nights beginning on October 8. We are working on VA Thanksgiving basket for turkey day. We are collecting pennies till December. The Fall Raffle is going on and the drawing will be November 7.

### Coleman Lions

Coleman Lions Club is now meeting indoors with masks. So far so good! We are exploring holding Zoom meetings in the near future. We have also started to do some service projects this month.

On Monday, October 19, PDG Harry Johnson came to Coleman to help us with our first Glasses Workshop since March! Four Lions members and two friends washed, measured prescriptions and logged 100 glasses into the computer inventory.

Six Lions members and four others gathered at the Coleman Community Garden on Saturday, October 24 to do a fall clean up. Plants were pulled up and placed

in the compost pile, leaves were raked and placed on raised beds to later be mulched and hoses, garden signs and decorations were put away. We enjoyed working outdoors together and with so many volunteers, the work was finished very quickly!

Friday, October 30, we will be participating in the Community Halloween Trunk-or-Treat event in the Family Center parking lot! Lion Curt Gordon will dress in the LION costume

to hand out small bags of candy to children in their cars!

### Midland Lions

# NOVEMBER IS DIABETES MONTH & DIABETIC EYE DISEASE MONTH

November 14—World Diabetes Day November 13—World Kindness Day

United in Kindness and Diversity with International President, Dr. Jung-Yul Choi

### Dear Lion,

Your safe service has preserved the health and safety of so many within your local community. The coronavirus pandemic has become the global health focus for the world, but many other health issues remain. And that's where Lions can make a difference.

Diabetes affects nearly 10% of the world's adult population—and so many more are undiagnosed. That is why diabetes has been one of our five global causes. This month, I ask that you unite with Lions around the world to raise awareness and educate people so we can be the difference in our communities.

Because every global cause has a solution that begins at home.

Regards,

Dr. Jung-Yul Choi International President
