District Governor's Official Visit

The District Governor or 1st Vice Governor is required to make an official visit to each club during the year. With 41 clubs to visit, not counting special events, meetings and Conventions, the Governor and Vice-Governors schedules are quite busy. The following suggestions will help your club make the Governor's visit a pleasurable and productive one.

1. Plan early for Governor's visit. Contact the Governor to confirm as early in the year as possible.

2. Choose a date that is likely to have high attendance.
3. Your request for a visit should include all pertinent information such as date, time, location, and if a meal will be served.
4. No other speakers or programs, other than abbreviated business meetings, should be scheduled for this evening.
5. Assign a member to greet the Governor. If the club has particular concerns or issues and would like the Governor to address them, inform the Governor before the meeting.
6. Prepare a suitable introduction for the Governor. A past Lion dignitary might be asked to introduce the Governor.
7. **All members should rise when the Governor is officially introduced and when the remarks have concluded.** Let the Governor know in advance if you want him to induct new members or club officers or to present special awards.
8. Many clubs present the visiting Governor with a small gift as a token of respect and appreciation for the time and effort in fulfillment of his/her duties

International Project

Lions Clubs International Foundation (LCIF)

Lions Clubs International Foundation, the official charitable Foundation of Lions Clubs International, helps bring help, hope and healing to the world. Grant funding is awarded to Lions Districts worldwide for large-scale humanitarian projects that address community needs.

The Foundation's mission is to support the efforts of Lions clubs worldwide in serving their local communities as they carry out essential humanitarian service projects. Through LCIF, Lions tackle global problems such as blindness and hearing loss and respond to major catastrophes such as earthquakes and floods. LCIF also helps Lions serve their local communities by partnering with them to build schools, health clinics and vocational training centers for the disabled.

Individual and club donations to LCIF can be put toward a Melvin Jones award (\$1,000 over 3 years).

Leader Dogs for the Blind

Founded by three Detroit area Lions Clubs members in 1939, Leader Dogs for the Blind provides dog guides for people who are blind and visually impaired to enhance their mobility, independence and quality of life. Each year, over 270 attend our 26 day residential training to be paired with a dog guide. This is a life-changing event that opens the doors to independence.

In addition to our dog guide program, we offer programs that enhance a person's independence and quality of life in other ways, including orientation and mobility training, Trekker training, and seminars for Orientation and Mobility professionals. Currently, Leader Dogs is the only facility in the Western Hemisphere to teach deaf-blind students to work with a dog guide,

Thanks to generous donations from our supporters, our dog guide services are provided free of charge, including room and board, and travel to and from our campus in Rochester Hills, Michigan, for students living in North America.

Leader Dogs is recognized as a "Best in America" Charity by the Independent Charities of America (ICA).

Lions of Michigan All-State-Band

Each year since 1948 high school band students have represented the Lions of Michigan in their annual parade during the Lions Clubs International Convention. Originally a high school band was selected to represent the state. In 1978 it was decided to let students from across Michigan participate and the All State Band was formed and it has performed at the convention ever since. The All State Band has become one of the Michigan Lions' most acclaimed youth activities.

All State Band provides its members with experience in four major areas: musical performance, travel & education, sociological growth, and "We Serve" – the Lions motto.

Band members are Leo members who perform concerts at hospitals, orphanages, and retirement centers. They are Lions goodwill ambassadors.

Lions of Michigan Foundation Awards

Ken E. Lautzenheiser Fellowship

Ken E. Lautzenheiser served Lions for over 45 years, and he was a charter member of the Inter-lakes Lions Club. Ken was elected to the Board of Lions Clubs International in 1985, and over his lifetime he served Lions in almost every capacity.

Ken E. Lautzenheiser was instrumental in organizing the Lions of Michigan Foundation in the early 1980's. He believed there was a definite need in Michigan for an organization that could address the medical needs of individuals that had no insurance and nowhere else to turn. Ken knew that if Lions Clubs combined resources, Lions could have a greater impact on their communities and do more to help people in need.

The Ken E. Lautzenheiser Fellow is available for contributions of **\$500** or more to the Lions of Michigan Foundation and is often used to recognize extraordinary efforts by a Lion or Lioness Club member - many Clubs and Districts use the award to recognize the Lion and/or Lioness of the year.

Helen Keller Fellowship

Contributions of **\$750** for the Helen Keller Fellowship will be deposited in the Project Kidsight fund. The Funding will be used to identify and help children who have been affected academically and socially by an undiagnosed vision disorder.

The Lion Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's: to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise, to build and not destroy.
